You are hereby notified that on this date, the Indiana Utility Regulatory Commission has caused the following entry to be made:

On February 11, 2005, SBC Long Distance, Inc. d/b/a SBC Long Distance ("SBCLD"), filed its Verified Petition and Request for Expedited Treatment with the Indiana Utility Regulatory Commission. SBCLD has conferred with the Indiana Office of Utility Consumer Counselor ("OUCC") and they have agreed to waive the prehearing conference and have agreed to the following procedural schedule:

1. **Petitioner's Prefiling Date.** The Petitioner prefiled with the Commission its prepared testimony and exhibits constituting its case-in-chief on February 11, 2005.
2. **Public's and Intervenor's Prefiling Date.** Public and all Intervenor's should prefile with the Commission the prepared testimony and exhibits constituting their respective cases-in-chief on or before April 5, 2005. Copies of same should be served upon all parties of record.
3. **Petitioner's Rebuttal Prefiling.** The Petitioner should prefile with the Commission its prepared rebuttal testimony on or before April 12, 2005. Copies of same should be served upon all parties of record.
4. **Evidentiary Hearing on the Parties' Cases-In-Chief.** The cases-in-chief of the Petitioner, Public and any Intervenor's should be presented in an evidentiary hearing to commence at

1:30 p.m. on April 19, 2005 in Room E-306, of the Indiana Government Center South, Indianapolis, Indiana.

5. **Discovery**. Discovery is available for all parties and should be conducted on an informal basis. Any response or objection to a discovery request should be made within five (5) business days of the receipt of such request.

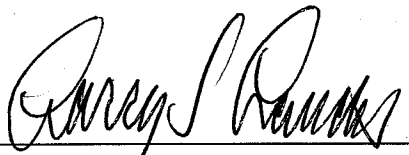

6. **Prefiling of Workpapers**. When prefiling technical evidence with the Commission, each party should concurrently file copies of the work papers used to produce that evidence. Copies of same should also be provided to any other party requesting such in writing. When submitting workpapers to the Commission, two (2) copies of each document should be filed with the Secretary of the Commission.

7. **Service**. The Parties agree to serve each other electronically.

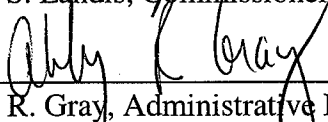

8. **Number of Copies/Corrections**. With the exception of work papers, the parties should file with the Commission an original and five (5) copies of all prefiled testimony and exhibits. Any corrections to prefiled testimony should be made in writing as soon as possible after discovery of the need to make such corrections. Although the Commission's rules require that original copies be one-sided, it is the Commission's preference that duplicate copies use both sides of the paper.

9. **Intervenors**. Any party permitted to become an Intervenor in this Cause should be bound by the record as it stands at the time its Petition to Intervene is granted, pursuant to 170 IAC 1-1.1-11.

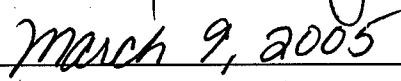

IT IS SO ORDERED.
